<i>Phone survey</i>	<i>52%</i>	<i>77%</i>	<i>19%</i>	<i>14%</i>
18. To address traffic congestion at the Middle School and High School, campus driveways and parking lots would be revised to improve traffic flow , bus and parent car traffic would be separated to assure greater student safety, parking added at athletic facilities, and an access drive along the south border would be built, at an estimated cost of \$5 million.	57%	84%	14%	6%
<i>Phone survey</i>	<i>44%</i>	<i>69%</i>	<i>28%</i>	<i>19%</i>

13. The mostly original classroom furniture in the Middle School and High School would be replaced at an estimated cost of \$3.5 million.	53%	83%	14%	5%
Phone survey	35%	60%	32%	20%
17. The aging Maintenance and Transportation facilities would be relocated and upgraded to enable improved maintenance of buses and other school vehicles, at an estimated cost of up to \$9 million.	45%	81%	16%	6%
Phone survey	41%	63%	29%	20%
20. The campus ball fields, running track and tennis courts , which are at least 30 years old, would be upgraded to provide greater safety for students and the public, including upgrades to the track, expanded and additional concession stands, renovated entryways, new perimeter fencing, press box and sound system upgrades, expanded parking, new tennis courts, bathrooms, and expanded and upgraded seating, at an estimated cost of \$14 million.	54%	78%	19%	10%
Phone survey	34%	58%	37%	28%
21. A new field house would be constructed, which would include a 50-yard artificial turf court, with a 68,000 square feet track, and would provide 12 months of practice availability for all sports, as well as the marching band, and it will also made available for community use, at an estimated cost of \$14 million.	46%	72%	24%	13%
Phone survey	36%	56%	38%	29%
Q.22 WEB ONLY: A natatorium would be built with an 8-lane competition swimming pool and deep diving well at an estimated cost of \$17 million with a yearly maintenance cost of about \$125,000 per year. The level of voter support will help determine whether a YMCA, a natatorium or neither facility will be included in the bond proposal.	41%	68%	27%	14%
Not Tested in Phone survey				
Q.22: Since the YMCA cannot finance a new building, but the Mattawan School District can, a building may be built on the current campus or on another site, at a cost of \$35 million, to be used by the YMCA, with low-level operational costs, such as the cleaning and checking chemical levels in the swimming pools, covered by the YMCA. It will include two swimming pools, a multipurpose space, wellness center, exercise equipment, weights, and before and after school day care. The level of	38%	67%	28%	18%

voter support will help determine whether a YMCA, a natatorium or neither facility will be included in the bond proposal.				
Phone survey results with cost of YMCA building at \$30 million	41%	63%	31%	23%
Q.23 WEB ONLY: The High School weight room would be significantly expanded by 4,000 square feet and updated with a new weight room and cardio exercise equipment at an estimated cost of \$3 million.	33%	65%	30%	13%
Not Tested in Phone survey				

3. Over the past few years, would you say that the quality of a kindergarten through 12th grade education provided by Mattawan Consolidated Schools has improved, gotten worse, or remained about the same?

PHN	WEB	
33%	43%	Stayed about the same
