

MCKINNEY-VENTO Homeless Education Assistance Act of 2001

If you or your family lives in any of these situations:

In a shelter, motel, vehicle or campground

On the street

In an abandoned building, trailer or other inadequate accommodations

Living with friends or relatives because you cannot find or afford housing

You or your preschool-aged and school-aged children may qualify for certain rights or protections under the McKinney-Vento Homeless Education Assistance Act.

Eligible students have the right to:

- Go to school, no matter where they live or how long they have lived there. They must be given access to the same public education, including preschool education, provided to other students.
- Continue in the school they attended before they became homeless or the school they last attended, if that is your choice and is feasible. If a school sends the child to a school other than the one requested, the school must provide a written explanation and offer the right to appeal the decision.
- Receive transportation to the school they attended before you or your family became homeless or the school last attended, if you or a guardian request such transportation.
- Attend a school and participate in school programs with children who are not homeless. Children cannot be separated from the regular school program because they are homeless.
- Enroll in school without giving a permanent address. Schools cannot require proof of residency that might prevent or delay school enrollment.
- Enroll and attend classes while the school arranges for the transfer of school and immunization records or any other documents required for enrollment.
- Enroll and attend classes in the chosen school even while you and the school seek to resolve a dispute over enrolling children.
- Receive the same special programs and services, if needed, as provided to all other students served in these programs.
- Receive transportation to school and to school programs.

WHEN YOU MOVE CONSIDER THESE TIPS...

- Contact the school district's homeless education liaison for help in enrolling your child in a new school or arranging for your child to continue in his or her former school.
- Contact the school and provide any information you think will assist the teachers in helping your child adjust to new circumstances.
- Ask the district's homeless education liaison, the shelter provider, or a social worker for assistance with clothing and supplies if needed.
