Band Instrument & Equipment RFP

Q&A - Published 6/23/2025

1) Will substitutions be accepted?

Substitutions of similar instruments will be examined, but preference for the makes and models listed in Exhibit A may take precedence over price.

2) Some of the forms have to be notarized but are pre-filled with "in the State of Michigan" for the notary. Can they be notarized in a different state?

Yes. The forms can be notarized according to the rules/laws of the state where the signature happens.

3) Do you need 2 copies of every document in the RFP or just the RFP itself?

Yes, we would like 2 sets of all documents in the RFP.

4) Where can I find a copy of the current RFP for band instruments & equipment?

It can be found here: <https://www.mattawanschools.org/Page/108>
